CLAF-MCTI High-Level Meeting

Opportunities for the Latin-American Participation and Cooperation in Astro-particle Physics and the Project SWGO

Detailed Programme

20 April 2023 - MORNING SESSION - CBPF, Rio de Janeiro

09:00	Reception and Coffee
09:30	Welcome & Opening Dr. Márcio Albuquerque, Director of CBPF Dr. Luis Huerta, Director of CLAF Dr. Ulisses Barres, Coordinator of CLAF Astro-particle Physics Unit Dr. Carlos Aragão, Director of Science and Technology at FINEP
10:00	MCTI - Strategic Programmes Prof. Marcia Barbosa, Secretary for Strategic Planning at MCTI / Brazil
10:15	Panorama of Science Cooperation in Latin America Mr. Carlos Matsumoto, Acting Chief of International Cooperation, MCTI / Brazil
10:30	Astro-particle Physics Landscape Worldwide and in Latin America Prof. Carola Dobrigkeit Chinelatto, UNICAMP / Brazil
10:45	SWGO: Science, Technology and International Cooperation Prof. Claudio Dib, UTFSM / Chile
11:00	The Pierre Auger Observatory: Science, Cooperation and Impact Dr. Federico Sanchez, ITeDA / Argentina
11:15	Account on CNPq Funding and Support of Pierre Auger (Remote) Prof. Ricardo Galvão, President of CNPq / Brazil
11:30	Report from Experiments: CTA and HAWC Prof. Vitor de Souza, USP / Brazil Prof. Andres Sandoval, UNAM / México
12:00	Account on FAPESP Support of Astroparticle Physics Projects (Remote) Prof. Roberto Marcondes, FAPESP / Brazil
12:15	Buffet Lunch

Centro Latinoamericano de Física
Centre Latino-Américain de Physique
Centro Latino-Americano de Física

20 April 2023 - AFTERNOON SESSION - CBPF, Rio de Janeiro

13:45	Science Education and Capacity Building in Latin America (Remote) Mr. Ernesto Fernández-Polcuch, Head for Latin America, UNESCO
14:00	Education and Capacity Building: The LAGO Project Experience Dr. Luis Otiniano, CONIDA / Peru
14:15	Account on Industrial Impact of the Pierre Auger Observatory Mr. Nelson Fromentini, CEO of ROTOPLASTYC / Brazil
14:30	Networks for Large Experiments: Impact and Regional Potential Mr. Leandro Ciuffo, Director at RNP / Brazil
14:45	European Science Cooperation in Latin America Dr. Mario Pimenta, Presidente do LIP / Portugal (Remote) Dr. Liviu Nicu, Director of CNRS South-America / France Dr. Daniela Theuer, DWIH São Paulo / Germany Dr. Andrea Chiavassa, INFN / Italy
15:40	Statements from Latin-American Delegates Ambassador Julio Bravo Iubini, Chile (Remote) Dr. Benjamin Marticorena, President of CONCYTEC / Peru (Remote) Dr. Juan Pablo Paz, Head of Science Cooperation of MinCyT / Argentina Dr. Alberto Etchegoyen, Director of ITeDA / Argentina
16:30	Latin-American Association for High-Energy and Astroparticle Physics Prof. Rogério Rosenfeld, ICTP-SAIFR / Brazil
16:40	Way Forward and Closing Dr. Ulisses Barres, Coordinator of CLAF Astro-particle Physics Unit
16:45	Meeting Adjourned - Coffee
